

TEFL

CERTIFICATE PROGRAM

As a leader in language teaching, The Centro Colombo Americano Bogotá offers busy English teachers a flexible and affordable way to enhance their teaching skills with its TEFL Certificate Program. This program combines high quality training for both new and experienced teachers with the ease of up-to-date online learning environments. Experienced teachers will become more effective in the classroom and improve their knowledge and skills. New teachers will receive a solid grounding in TEFL methodology and practice, a real plus when looking for a suitable teaching position.

The program is divided into six modules:

- Fundamentals of ELT
- Teaching Speaking
- TKT
- Teaching Reading
- Teaching Young Learners
- Teaching Listening

Upon successful completion of four of the six modules of the TEFL Certificate Program, teachers will be awarded the First TEFL Certificate from the English Language Teaching Institute of Hunter College, City University of New York, one of the oldest and most respected universities in the U.S.

Candidates for the program must complete a placement examination online and demonstrate a B1 level of English as well as interest and commitment to English language teaching. For placement exam contact us at tefl@colombobogota.edu.co
